AXA General Insurance Hong Kong Limited (referred to hereinafter as the “**Company**”) recognises its responsibilities in relation to the collection, holding, processing, use and/or transfer of personal data under the Personal Data (Privacy) Ordinance (Cap. 486) (“**PDPO**”). Personal data will be collected only for lawful and relevant purposes and all practicable steps will be taken to ensure that personal data held by the Company is accurate. The Company will take all practicable steps to ensure security of the personal data and to avoid unauthorised or accidental access, erasure or other use.

Please note that if you do not provide us with your personal data, we may not be able to provide the information, products or services you need or process your request.

Purpose: From time to time it is necessary for the Company to collect your personal data (including credit information and claims history) which may be used, stored, processed, transferred, disclosed or shared by us for purposes (“**Purposes**”), including:

1. offering, providing and marketing to you the products/services of the Company, other companies of the AXA Group (“**our affiliates**”) or our business partners (see “**Use and provision of personal data in direct marketing**” below), and administering, maintaining, managing and operating such products/services;
2. processing and evaluating any applications or requests made by you for products/services offered by the Company and our affiliates;
3. providing subsequent services to you, including but not limited to administering the policies issued;
4. any purposes in connection with any claims made by or against or otherwise involving you in respect of any products/services provided by the Company and/or our affiliates, including investigation of claims;
5. detecting and preventing fraud (whether or not relating to the products/services provided by the Company and/or our affiliates);
6. evaluating your financial needs;
7. designing products/services for customers;
8. conducting market research for statistical or other purposes;
9. matching any data held which relates to you from time to time for any of the purposes listed herein;
10. making disclosure as required by any applicable law, rules, regulations, codes of practice or guidelines or to assist in law enforcement purposes, investigations by police or other government or regulatory authorities in Hong Kong or elsewhere;
11. conducting identity and/or credit checks and/or debt collection;
12. complying with the laws of any applicable jurisdiction;
13. carrying out other services in connection with the operation of the Company’s business; and
14. other purposes directly relating to any of the above.

Transfer of personal data: Personal data will be kept confidential but, subject to the provisions of any applicable law, may be provided to:

1. any of our affiliates, any person associated with the Company, any reinsurance company, claims investigation company, your broker, industry association or federation, fund management company or financial institution in Hong Kong or elsewhere and in this regard you consent to the transfer of your data outside of Hong Kong;
2. any person (including private investigators) in connection with any claims made by or against or otherwise involving you in respect of any products/services provided by the Company and/or our affiliates;
3. any agent, contractor or third party who provides administrative, technology or other services (including direct marketing services) to the Company and/or our affiliates in Hong Kong or elsewhere and who has a duty of confidentiality to the same;
4. credit reference agencies or, in the event of default, debt collection agencies;
5. any actual or proposed assignee, transferee, participant or sub-participant of our rights or business;
6. any government department or other appropriate governmental or regulatory authority in Hong Kong or elsewhere; and
7. the following persons who may collect and use the data only as reasonably necessary to carry out any of the purposes described in paragraphs nos. 2, 3, 4 and 5 of the Purposes specified above: insurance adjusters, agents and brokers, employers, health care professionals, hospitals, accountants, financial advisors, solicitors, organisations that consolidate claims and underwriting information for the insurance industry, fraud prevention organisations, other insurance companies (whether directly or through fraud prevention organisation or other persons named in this paragraph), the police and databases or registers (and their operators) used by the insurance industry to analyse and check data provided against existing data.

For our policy on using your personal data for marketing purposes, please see the section below “**Use and provision of personal data in direct marketing**”.

Transfer of your personal data will only be made for one or more of the Purposes specified above.

Use and provision of personal data in direct marketing:

The Company intends to:

1. use your name, contact details, products and services portfolio information, transaction pattern and behaviour, financial background and demographic data held by the Company from time to time for direct marketing;
2. conduct direct marketing (including but not limited to providing reward, loyalty or privileges programmes) in relation to the following classes of products and services that the Company, our affiliates, our co-branding partners and our business partners may offer:
 - a) insurance, banking, provident fund or scheme, financial services, securities and related products and services;
 - b) products and services on health, wellness and medical, food and beverage, sporting activities and membership, entertainment, spa and similar relaxation activities, travel and transportation, household, apparel, education, social networking, media and high-end consumer products;
