#### Lay foundations for your child's financial security

Mary gave birth to her daughter Dora this year. She wants her to enjoy financial security, a good overseas education and promising career opportunities so that she can build a happy life. To lay the foundations for Dora's bright future, Mary takes out a **Wealth Ultra** policy.

(Unless otherwise specified, all amounts are in US dollars)

• Policy owner:	Mary (mother, age 40)
• Insured:	Dora (Mary's daughter, age 0)
• Premium payment term:	8 years
• Annual premium:	\$25,000
• Total premiums paid:	\$200,000
• Notional amount at policy inception:	\$279,018

Accumulated withdrawals plus the total cash value after withdrawal at age 138 is **around 205 times** the total premiums paid

#### Notes:

- Total cash value is the sum of guaranteed cash value, cash value of non-guaranteed reversionary bonus, cash value of non-guaranteed terminal bonus and value of the bonus lock-in account (if any). The values are projected with the Company's current (i) assumed bonus scale and (ii) interest rate on the value of the bonus lock-in account of 3.5% p.a. (if applicable). The bonus scale and interest rate on the value of the bonus lock-in account (if applicable) are not guaranteed and may be changed by the Company from time to time. The actual amounts may be higher or lower than those illustrated.
- Written application should be made by the policy owner for the change of policy owner and such request is subject to the Company's approval, administrative rules, underwriting, and any other requirements of the Company in effect from time to time. Please refer to the product brochure and policy contract of **Wealth Ultra** for details.

## Remarks

1. The illustrative examples above assume that (i) annual premium payment mode is chosen and all premiums are paid in full when due and as planned, except for the exercise of Flexi Premium Option specified in the illustrative example above; (ii) standard premium is applied (the insured is not being classified as a special class) and the total premiums paid excludes the levy collected by the Insurance Authority; (iii) no other policy benefits or claims have been paid or becomes payable, except for the death benefit and compassionate benefit payable at the end of the relevant policy year specified in the illustrative examples above and no withdrawals nor withdrawal from bonus lock-in account have been made except for the withdrawals specified in the illustrative examples above; (iv) there is no indebtedness under the policy; (v) the stated withdrawal amounts (if applicable) are made at the beginning of the relevant policy years; (vi) the stated bonus lock-in amounts (if applicable) are made at the end of the relevant policy years; (vii) each withdrawal will be paid from (1) value of bonus lock-in account and its interest (if any); and followed by (2) cash value of reversionary bonus and cash value of its corresponding terminal bonus; and followed by (3) guaranteed cash value together with cash value of its corresponding terminal bonus, by means of partial surrender; and (viii) the notional amount of the policy remains unchanged throughout the policy term, except for the reduction of notional amount due to the withdrawals, Flexi Premium Option and Flexi Continuation Option made in the illustrative examples above.
2. All the policy values and figures stated in this leaflet are rounded to the nearest whole number.
3. The notional amount is used for the calculation of premium and relevant policy values of this plan; it is not equivalent to the death benefit of the insured and is only one of the factors in determining the death benefit payable.
4. The death benefit under the superior death benefit option is equal to:  
the higher of
  - (i) 100% of the total standard premiums paid\*, plus extra 30% of the total standard premiums paid\* if the insured passes away at the initial insured's age of 60 or below and the policy has been in-force for 3 years;and
  - (ii) guaranteed cash value

- + face value of reversionary bonus (if any)
- + face value of terminal bonus (if any)
- + value of the bonus lock-in account (if any)
- any indebtedness and outstanding premium

\* Total standard premiums paid is the total premiums due and paid from the policy date up to the date of death of the insured, in which any extra premiums due to underwriting requirements and / or supplements (if applicable) shall be excluded. In case of any change in notional amount (except due to exercise of Flexi Premium Option) or premium payment mode, the total standard premiums paid shall be adjusted accordingly.
